DETAILED ACTION

Allowable Subject Matter

1. Claims 2-21 are allowed.

The following is a statement of reasons for the indication of allowable subject matter:

The examiner deem claims 2-21 as novel when read as a whole for the limitations of stalling the completion of an epilogue for determining that stack frame is corrupted, and upon determination that stack frame is corrupted, replacing said second state of said stack frame with said copy of said first state of said stack frame and initiating the completion of said epilogue.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
